

FALL '19 - SPRING '20

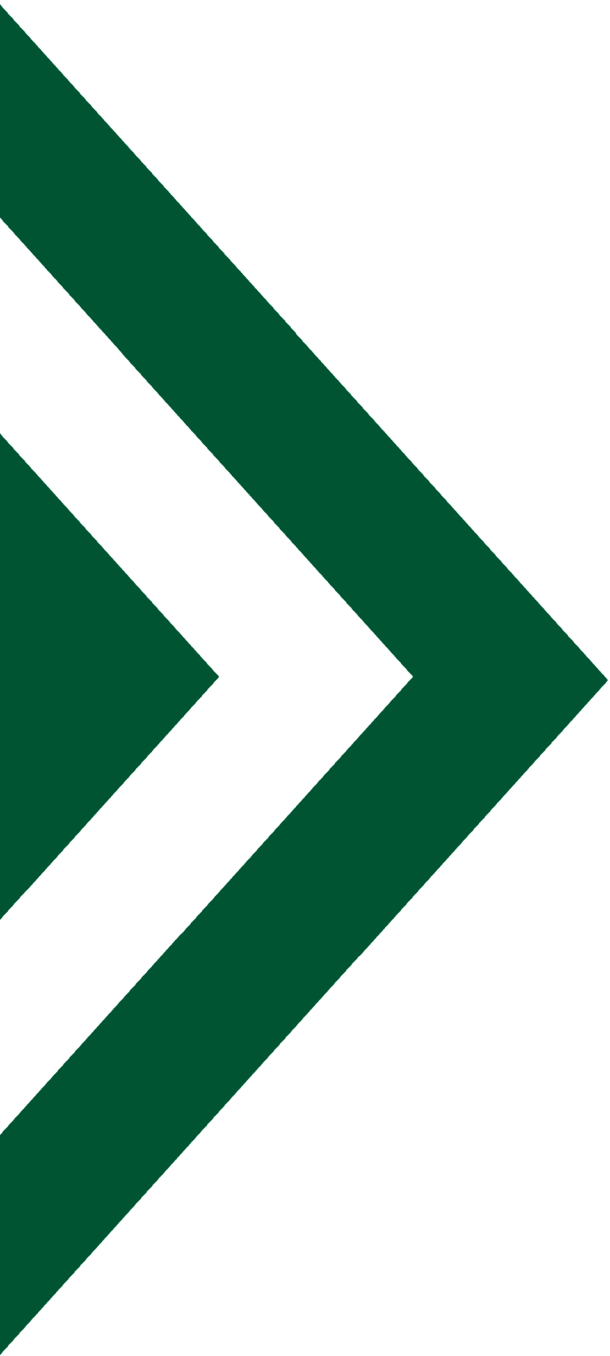

DUAL DEGREE

PROGRAMS for MASTER

0.5 + 1

After introducing the 1-year MBA and MSc programs to replace our 2-year MBA program, our former dual-degree 1+1 agreements are under review with our partner schools. The handbook will not include 0.5+1 programs as they are still in the process of being finalized. Please check back with the Study Abroad office for updates.

If you were admitted as a MBA student before Spring 2019, all the dual degree programs are still applicable to you. If you would like to apply for a former 1+1 program, please contact Study Abroad Office at studyabroad@solbridge.ac.kr.
